

WESSEX MILLS GROUP

A forum for wind and water mill enthusiasts in Wessex

<http://wessexmillsgroup.org.uk>

WMG aims to provide a forum for wind and water mill enthusiasts in Wessex, exchanging ideas and information and covering anything molinological, from advice on restoration to discovering a building's history. We complement organisations such as the county industrial archaeology societies.

New members are welcome – whether you are a mill owner or not, want to be involved in practical projects or not. An interest in mills is all that is necessary!

Aims and objectives

- To provide a forum for wind and water mill enthusiasts
- To enable an exchange of ideas and information on anything molinological
- To be a centre for the mill heritage of Wessex (defined as the ancient counties of Devon, Dorset, Somerset and Wiltshire)
- To publish a quarterly newsletter (unfortunately at present this is only an ambition)
- To organise visits and talks
- Finally, and most importantly, to reflect the interests of our members

To join the Wessex Mills Group please complete the information below and send this whole form with your membership fee to:

Wessex Mills Group Secretary, The Mill, Godmanstone, Dorset, DT2 7AQ

To help us establish the interests and skills of our members, we would like to know more about you. Please write on the back of this form if necessary.
